

April 12, 1973

CLERK: 29 ayes, no nays, Mr. President.

SPEAKER: The bill is advanced. LB 438. Clerk will read.

CLERK: Reads title. There are committee amendments by Senator Kremer's Public Works Committee and then there are some other amendments offered by Senator Carpenter.

SPEAKER: Just a moment, Senator Richard Lewis.

SENATOR R. LEWIS: Mr. Speaker and members of the Legislature, I'd like to ask that this bill be passed over. I think this bill is controversial. I voted against it in committee; I feel that--and I think it came out on a split vote. It appeared to me to be a controversial bill and so I would ask that it be passed over.

SPEAKER: So ordered. Now that concludes the noncontroversial list. I have had some requests up here to go to Select File. I think there are at least two Senators who have an amendment--they want to bring the bill back to Select File or whatever. Is there any objection to moving in that direction at the moment? Now who were those Senators that asked me about that?

CLERK: Mr. President, the first one is Senator Clark. I move to return LB 36 to Select File for specific amendment. Signed Senator Clark.

SPEAKER: What's the bill number?

CLERK: 36.

SPEAKER: LB 36. Senator Clark.

What this does is remove the amendment we had on the bill before because there was some question of constitutionality of that particular amendment. Bud Pluckett tells me that this is absolutely constitutional and it will work and I would ask that this be brought back to Select File for this specific amendment.

SPEAKER: Any further discussion of that request? All those in favor of returning--it's on Final Reading, is it not, Senator Clark?

SENATOR CLARK: Yes.

SPEAKER: All those in favor of returning the bill from Final Reading to Select File vote aye, those opposed vote no. Clerk will record.

CLERK: 26 ayes, Mr. President, on the motion to return.

SPEAKER: Bill is on Select File, Senator Clark.

SENATOR CLARK: I would move for the adoption of the amendment, Mr. Speaker.

SPEAKER: Just a moment, Senator Clark. Oh, the Clerk advises me that at this juncture, it would be best from his standpoint as far as the Journal is concerned, to return these bills if that is the wish of the body to Select File. Is that right, Mr. Clerk?

CLERK: Yes, sir.

SENATOR CLARK: Well, that has been done right now, hasn't it?

SPEAKER: Senator Clark, he has in mind any other bills that
